1. Receipt of notification emails for unread messages

- Contacts and replies from members -

If there is an unread message on a member's contact page, a notification email is sent from the BB1 System to the member's registered email address.

1-1

1-2

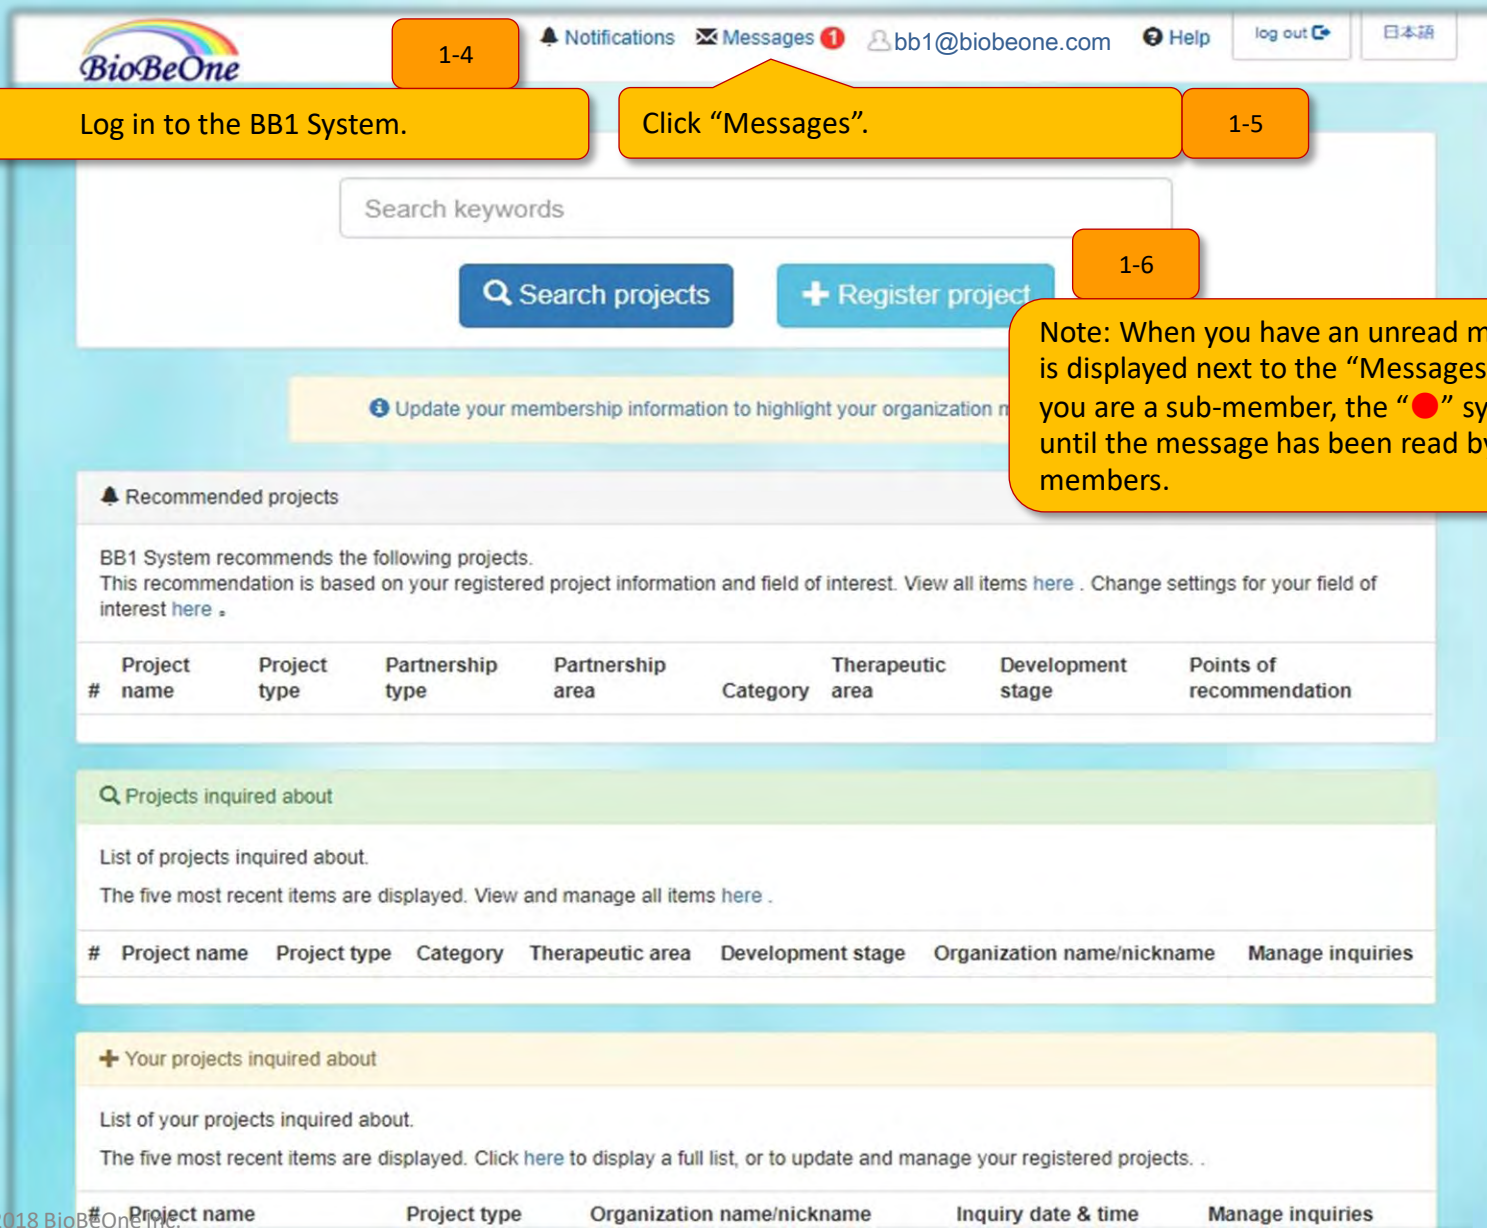

Click the link to log in to the BB1 System.

1-3

This email is sent automatically. Please do not reply.

1. Receipt of notification emails for unread messages

- Contacts and replies from members -

The screenshot shows the BioBeOne website interface. The top navigation bar includes the BioBeOne logo, a user profile icon, and links for Notifications, Messages (with a red dot indicating unread messages), and a user email address (bb1@biobeone.com). There are also links for Help, log out, and a language selector (日本語).

Numbered callouts indicate the following steps:

- 1-4: Log in to the BB1 System.
- 1-5: Click "Messages".
- 1-6: Note: When you have an unread message, "●" is displayed next to the "Messages" button. If you are a sub-member, the "●" symbol remains until the message has been read by all linked members.

The main content area includes a search bar with the placeholder text "Search keywords", a "Search projects" button, and a "Register project" button. Below the search bar, there is a message: "Update your membership information to highlight your organization name".

The "Recommended projects" section displays a list of projects recommended by the BB1 System. The table below shows the columns for the recommended projects:

#	Project name	Project type	Partnership type	Partnership area	Category	Therapeutic area	Development stage	Points of recommendation
BB1 System recommends the following projects. This recommendation is based on your registered project information and field of interest. View all items here . Change settings for your field of interest here .								

The "Projects inquired about" section displays a list of projects inquired about. The table below shows the columns for the inquired projects:

#	Project name	Project type	Category	Therapeutic area	Development stage	Organization name/nickname	Manage inquiries
List of projects inquired about. The five most recent items are displayed. View and manage all items here .							

The "Your projects inquired about" section displays a list of your projects inquired about. The table below shows the columns for the inquired projects:

#	Project name	Project type	Organization name/nickname	Inquiry date & time	Manage inquiries
List of your projects inquired about. The five most recent items are displayed. Click here to display a full list, or to update and manage your registered projects. .

The screenshot displays a web interface for a contact screen. On the left, a sidebar shows a 'home / contact' breadcrumb, 'Your contact screen' title, and an email address 'CC_From_abc@ooooo.com'. The main content area is titled 'Contact L' and lists a contact 'bb1 2345 diabetes'. Below this, a profile card for 'bb1' features a BioBeOne logo and a 'Sub-membership cancellation' button. To the right, a chat window shows two messages from 'xyz.abc': 'My membership information is available to view.' and 'Hello, I am interested in inquiring about your project.', dated '2018-03-22 17:09'.

2. Sub-membership functions

- Paid membership function -

The screenshot displays the BioBeOne user interface. On the left, the 'home / contact' section shows 'Your contact screen' with a button 'CC_From_abc@ooooo.com'. Below it, a callout box labeled '2-21' explains the sub-membership cancellation function. The 'Contact List [1]' shows a contact 'bb1 2345 diabetes' with a sub-member 'bio.beone' (biobeone@biobeone.com). A button 'Sub-membership cancellation' is visible. On the right, the messaging screen shows a conversation with 'bio.beone (biobeone@biobeone.com)'. Callouts '2-18' and '2-19' point to the contact name and the first message, respectively. A callout '2-20' notes that sub-members cannot send messages. The chat history shows messages from 'beone.bio' and 'xyz.abc' dated 2018-03-22.

2-18 Click here to display membership information of the member with whom your linked member is in contact.

2-19 Click here to display project information.

2-20 Note: You cannot send a message as a sub-member.

2-21 Click here if you are a sub-member and wish to cancel your sub-membership. A cancellation notification email will be sent to the linked member.
